INDEPENDENT AUDITOR'S REPORT

To the Board of Directors North Dakota Stockmen's Association Bismarck, North Dakota

Opinion

We have audited the accompanying financial statements of the North Dakota Stockmen's Association (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and 2020, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the North Dakota Stockmen's Association as of December 31, 2021, and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America, as well as generally accepted government auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the North Dakota Stockmen's Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the North Dakota Stockmen's Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the North Dakota Stockmen's Association's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the North Dakota Stockmen's Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The statements of revenues and expenses by activity on pages 14 and 15 and the statements of functional expenses on pages 16 and 17 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Other Legal and Regulatory Requirements

In accordance with Government Auditing Standards, we have also issued a report dated February 14, 2022, on our consideration of the North Dakota Stockmen's Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the North Dakota Stockmen's Association's internal control over financial reporting and compliance.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

The North Dakota Stockmen's Association was incorporated to form an association for members in promotion of their common welfare, to ensure their rights as livestock owners and to inspect brands on all livestock sold in North Dakota under the century code. As authorized by the State Legislature, the Association also handles the brand recording for North Dakota, effective since August 1, 1993.

Basis of Presentation

The financial statements presented herein, represent the financial position and the results of operations of the North Dakota Stockmen's Association. Generally accepted accounting principles have been followed in the preparation of the financial statements. An accrual basis accounting system is maintained. Contribution revenues are recognized when received and revenues from exchange transactions are recognized when it has met its obligation for the revenue. Expenses are recognized when incurred.

Revenue Recognition

Inspection fees and brand renewal fees are recorded when received and recognized as revenue in the applicable period. These fees are non-refundable and thus are not deferred to future periods. Membership dues are recorded when received and are recognized as revenue during the applicable membership period. Membership dues collected prior to December 31 which relate to the next year are deferred until earned and are recorded as deferred revenue on the statement of financial position. Memberships may include both a contribution and a performance obligation by the Association. Contributions are recognized as revenue in the year in which they are received and are considered to be available for unrestricted use unless specifically restricted by the donor. Restricted contributions are accounted for as net assets with donor restrictions.

Net Asset Classifications

The accompanying financial statements have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require North Dakota Stockmen's Association to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Association or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. North Dakota Stockmen's Association currently has both net assets without donor restrictions and net assets with donor restrictions.

Cash Equivalents

The Association considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED</u>

Investments

Investments are composed of mutual funds and certificates of deposit and are carried at fair value.

Income Taxes

The North Dakota Stockmen's Association is exempt from federal income tax under section 501 (c) (5) of the Internal Revenue Code and by virtue thereof is also exempt from North Dakota income tax. The Association does have unrelated business income from their magazine advertising sales, which is required to be reported on Form 990-T and applicable tax to be paid.

The Association has adopted the provisions of FASB Accounting Standards Codification Topic ASC 740-10. The implementation of this standard had no impact on the financial statements. As of the date of adoption and December 31, 2021, the unrecognized tax benefit accrual was zero.

The Association will recognize future accrued interest and penalties related to unrecognized tax benefits in income tax expense if incurred. The federal income tax returns of the Association are subject to examination by the IRS, generally for three years after they were filed.

Concentration of Credit Risk

The Association maintains cash balances at several banks. Accounts at each institution are insured by the Federal Deposit Insurance Corporation. At December 31, 2021, Dakota Community Bank had \$88,391 and First International Bank and Trust had \$1,000 of deposits that were not covered by FDIC insurance. At December 31, 2020 all funds were adequately covered by FDIC insurance.

The Association also maintains an account including mutual funds and certificates of deposits with a brokerage firm. This firm participates in the Securities Investor Protection Corporation, which provides protection up to \$500,000 (with a limit of \$250,000 for cash) in the event of a brokerage firm liquidation. SIPC protection is not the same as FDIC protection because SIPC does not protect the value of any security. Investments are subject to fluctuations in market value. The certificates of deposit held in the brokerage account have FDIC coverage provided by the issuing banks.

Accounts Receivable

Accounts receivable are reported at the amount management expects to collect from outstanding balances. Differences between the amount due and the amount management expects to collect are reported in the results of operations of the year in which those differences are determined, with an offsetting entry to a valuation allowance for accounts receivable. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable.

Advertising Expense

Advertising costs are charged to expense when incurred. No direct-response advertising is used. Advertising and promotion expenses for the years ended December 31, 2021, and 2020, were \$22,870 and \$25,289, respectively.

Notes to Financial Statements December 31, 2021 and 2020

NOTE 1 <u>SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – CONTINUED</u>

Estimates

Preparation of the financial statements in conformity with generally accepted accounting principles requires the use of estimates by management.

Significant Estimates

Estimates that are particularly susceptible to significant change include the valuation of investment in mutual funds. The Association's various investment instruments are exposed to a variety of risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with these financial instruments, it is reasonably possible that changes in the values of the investment will occur in the near term and that such changes could materially affect the amounts reported in the statement of financial position. Significant fluctuations in fair values could occur from year to year and the amounts the Association will ultimately realize could differ materially.

Subsequent Events

The North Dakota Stockmen's Association has evaluated subsequent events through February 14, 2022, the date which the financial statements were available to be issued.

The North Dakota Stockmen's Association purchased a lot at 4520 Ottawa Street in September 2021. \$50,000 in earnest money had previously been paid. The North Dakota Stockmen's Association plans to begin work with the North Dakota Stockmen's Foundation on a building project in 2022.

Functional Expenses

The costs of program and supporting services activities have been summarized on a functional basis in the statement of activities. The statement of functional expenses presents the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

NOTE 2 DEPOSITS

Deposits are maintained with financial institutions as authorized by the board of directors. Receipts for brand fees and recording fees are public money and therefore must be remitted to the North Dakota State Treasury and appropriated back to the North Dakota Stockmen's Association. This procedure for brand fees and recording fees has been followed as required by North Dakota statutes.

Notes to Financial Statements December 31, 2021 and 2020

At December 31, 2020, accounts receivable includes \$19,961 due from the ND Department of Environmental Quality. The remaining accounts receivable in both years are due mostly from magazine ads and are all considered collectible. An allowance for uncollectible accounts has been provided in the amount of \$149 as of December 31, 2021, and \$149 as of December 31, 2020.

NOTE 5 PREPAID EXPENSES

Prepaid expenses include the unused premiums paid for worker's compensation and building, auto and liability insurance.

NOTE 6 FAIR VALUE MEASUREMENT

Fair value measurement presentation follows the provisions of the FASB Accounting Standards Codification Topic ASC 820. The provision prescribes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1 inputs consist of quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the related asset or liability. Level 3 inputs are unobservable inputs related to the asset or liability.

Inputs broadly refer to the assumptions that market participants use to make valuation decisions. A financial instrument's level within the fair value hierarchy is based on the lowest level of any input both individually and in aggregate that is significant to the fair value measurement. Observable inputs include market data that are readily available, regularly distributed or updated, reliable and verifiable, not proprietary, and provided by independent sources that are actively involved in the relevant market.

Notes to Financial Statements December 31, 2021 and 2020

"Designated-estray" reflects the funds that must be available to pay livestock owners upon verification of their ownership.

NOTE 15 FUTURE PRONOUNCEMENTS

ASU 2016-02, Leases (Topic 842)

During 2016, the FASB issued guidance to change the accounting for leases. The main provision of ASU 2016-01 is that lessees will be required to recognize lease assets and lease liabilities for most long-term leases, including those classified as operating leases under GAAP. The ASU is effective for the Organization for fiscal years beginning after December 15, 2021, and interim periods within fiscal years beginning after December 15, 2022.

Management has not yet determined what the effect this pronouncement will have on the Organization's financial statements.

With the exception of the new standard discussed above, we have not identified any new accounting pronouncements that have potential significance to the Organization's financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors North Dakota Stockmen's Association Bismarck, North Dakota

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the North Dakota Stockmen's Association (a nonprofit organization), which comprise the statements of financial position as of December 31, 2021, and 2020, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated February 14, 2022.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the North Dakota Stockmen's Association internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the North Dakota Stockmen's Association internal control. Accordingly, we do not express an opinion on the effectiveness of the North Dakota Stockmen's Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings as finding 2021-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the North Dakota Stockmen's Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

North Dakota Stockmen's Association's Response to Findings

North Dakota Stockmen's Association's response to the finding identified in our audit is described in the accompanying schedule of findings. North Dakota Stockmen's Association's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the North Dakota Stockmen's Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Schedule of Findings For the Year Ended December 31, 2021

Finding 2021-001: Segregation of Duties

<u>Criteria</u> – A good system of internal control contemplates an adequate segregation of duties so that no individual has complete control of the accounting software.

Condition - The organization has lack of segregation of duties in certain areas due to limited staff.

<u>Cause</u> – There are limited individuals to perform tasks due to the small size of the entity.

<u>Effect</u> – Inadequate segregation of duties could adversely affect the organization's ability to detect misstatements in amounts that would be material in relation to the financial statements.

<u>Recommendation</u> – Unless it is feasible to add additional staff, the most effective controls lie in the board's knowledge of matters relating to the organization's operations. Board members should periodically review documentation supporting individual transactions.

Management Response - The Association is aware of the condition and will add controls where feasible.

Board of Directors North Dakota Stockmen's Association Bismarck, North Dakota

We have audited the financial statements of the North Dakota Stockmen's Association for the year ended December 31, 2021, and have issued our report thereon dated February 14, 2022. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards and *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated January 10, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by North Dakota Stockmen's Association are described in Note 1 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by North Dakota Stockmen's Association during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. We believe that the accounting estimates used as of December 31, 2021, are reasonable in all material respects.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. The attached schedule of adjusting entries summarizes the adjustments and we considered the net effect of all the adjusting entries to be material to the financial statements.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated February 14, 2022.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Organization's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Organization's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

With respect to this supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the governing board and management of North Dakota Stockmen's Association and is not intended to be and should not be used by anyone other than these specified parties.

Sincerely,

Haga Kommer, Ltd.
